Expressions that describe possibility/capability.

There are two ways to express possibility/capability

- 1 Potential form (see Potential form List)
- 2 Dictionary form + koto ga dekimasu

① Potential form

② Dictionary form + ことができます。

This sentence pattern is used to mention the possibility of something that sounds difficult to be done.

(It's not common at the moment.)

e.g., We will be able to go into space in the near future.

to go: いきます → Dictionary form: iku

⇒ ちかいしょうらい うちゅうに いくこと が できます。
chika-shoorai uchuu ni iku koto ga dekimasu.
